

Learn How to cure Hemorrhoids at Home

Hemorrhoids, or more commonly known as piles, are described as the inflamed veins in the anus and anal sphincter. **Piles** happen when the veins found around the anal sphincter have grown to be swollen, as well as can occur either internally or outside the body. This article explores a natural approach that can easily be done to cure **hemorrhoids**. This treat helps with **piles relief** in the sense that it does not only help in relieving the discomfort as well as the inflammation but also aids for the condition. This natural **hemorrhoids relief** can be used twice a day or whenever necessary.

To Cure Hemorrhoids, Here's What You Need:

Teaspoon of aloe vera gelA tsp. of witch hazelA drop of juniper oil.

How to Treat Hemorrhoids Naturally:

A small bowl or wide rimmed plate, mix in the aloe vera gel as well as the witch hazel. Blend together very gently with the use of a wooden or plastic spoon. Do not use a metal spoon in mixing. Position the mixture into the fridge for approximately 15 minutes. It's also possible to put it in the freezer for about 5 minutes. Discard the bowl or plate then place a cotton ball or a cotton pad in to the mixture. Give the cotton pad or ball some time to absorb some of the mixture, then slowly and gradually press it lightly to be able to get rid of the extra liquid. Directly into the cotton pad or ball, drop the juniper oil after that lightly dab it onto the area which is affected with the **pile**. This natural relief is to be reproduced every morning and every night at the least; however, it has also been suggested that the mixture can be applied whenever necessary.
